AFTER TEN YEARS IN THE FIELD OF BOOKS AND PUBLISHING, AND AFTER HAVING MY TWO BEAUTIFUL CHILDREN, I HAD A TIME TO ASK MYSELF WHAT I REALLY WANT TO DO WITH MY LIFE. AND THEN I TOOK A STEP IN TO THE DIRECTION OF MY DREAMS. DREAMS TO BE INTERIOR ARCHITECT AND DESIGNER.

MY ROOTS ARE IN MY GRANDMA'S ARMS, IN THE FINNISH FOREST AND AT THE HAZE OF THE SUMMER EVENING - ALL THOSE THINGS FROM MY PAST AND ALL THE THINGS AROUND ME NOW DAYS: MY FAMILY, FRIENDS, ART, MUSIC INSPIRE ME IN MY WORK.

I WANT TO CREATE MORE BEAUTY AND JOY WITH MY ITEMS AND SPACES. I WANT TO CREATE A JOURNEY FROM THE PAST TO THE FUTURE.

Working drawings, scale models, prototypes and 3D modeling is a natural part of my design process. Field of my speciality is in spatial- and furniture design, but I am also proficient in doing different kinds of design projects, as well as art. I have experience teaching in field of furniture design (in AJK-school, further education center) and I'm skilled in creative problem-solving, concept development and design thinking.

Lately I have been working in the field of exhibition architecture, service design, spatial design and making of installations as part of the group. I'm also working with my own design:
