## About me

Due to wide and versatile education and work experience I have excellent tools to design, lead and schedule different kind of projects. I have good material knowledge, good visual understanding and a wide contact network.

I am innovative, creative and open minded. I am quick learner and I am eager to learn new things. I have good people skills and excellent ability to listen and execute customers hopes and needs. I am motivated and hard worker. I am self-driven, but I love to work in a group too.

I am active in sports. I love different culture events and concerts. I have two lovely adult children, a Japanese Spitz and a partner.
